

# Your Powerful Prescription for Snoring and Sleep Apnea.

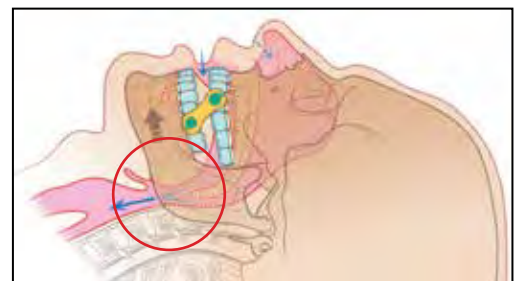

**EMA<sup>®</sup>**

Without the EMA, the patient's airway is obstructed by soft tissues.

<p><b>Patients:</b> <i>Please print this sheet and take it to your dentist who can prescribe you an EMA.</i></p>
<p><b>Dentists:</b> <i>Call 800-854-7256 to order. Visit <a href="http://glidewell dental.com">glidewell dental.com</a> for more info.</i></p>

The EMA allows for air to flow freely through the patient's airway.
